

Cover Letter – PHP Web Developer

Dear Profits 4 Purpose,

I am a Mathematics major who caught the Programming bug in a big way. I love to build new applications, libraries, and reusable modules. I take pride in my craft, and constantly seek to improve my skills.

I am highly interested your new job opening for a PHP Web Developer. I want to work somewhere where I know my work will benefit people, and I like that your company places a strong emphasis on producing quality code.

Having a track record of building successful web applications, I am confident that I would be a strong contributor to your team.

Thank you for your consideration.
